

Appreciative Patient Program

Did someone positively impact your visit to Gordon Memorial Health Services?

Patients and families often ask how they can show their appreciation and gratitude to an employee of Gordon Memorial who has made their experience exceptional.

Gordon Memorial Hospital Foundation's Appreciative Patient Program provides a way to show gratitude toward an employee, provider, or department who played a special role in your or a loved one's care.

Please share your story about how someone at Gordon Memorial positively impacted your care, and make a donation in their name. Employees will be recognized by the Gordon Memorial Hospital Foundation.

Please Share your appreciation story.
